Subject: Meeting/workshop on data 30.9.2018

Sir/Madam,

Wrong Reporting of Data . Agenda 6 . ACP data

There is inconsistent data reporting by the banks for Qtr. Sept-2018. The data compiled through portal shows huge variation from June Qtr and prima facie it is observed that the wrong data has been reported by the banks. The data reported are very important as they are placed before various authorities for policy making. To redress the issue a meeting has been convened on 28.11.2018 (Wednesday) at 11 AM so that the necessary guidelines be issued to the member banks for rectification/uploading the correct data.
